TOUR MANAGERS
On our escorted group tours, you will be accompanied by a professional tour manager who is the authority and is responsible for the safety and wellbeing of our travelers and for the smooth operation of the tour. The decision of the tour manager is final on all matters likely to affect the safety or wellbeing of all travelers participating in the trip.

GROUP PARTICIPATION
To avoid discord within our groups and to provide our travelers with a positive touring experience, we reserve the right to reject or remove any traveler whose behavior is determined to be incompatible with the group. If you fail to comply with a decision made by our tour manager, behave in a way that is judged to cause or likely to cause danger, distress, or material annoyance to others, interfere with the wellbeing or mobility of the group, are deemed to be fractious to the group, at the sole discretion of Anastasis Tours and/ or our tour managers and representatives, we may ask you to leave the tour. In this case, we will not refund any portion of the package cost. All expenses incurred by the termination of the touring program are your responsibility. We may also elect not to carry you on any future trips.

TRAVELERS WITH DISABILITIES OR DIFFICULTIES
Travelers requiring any type of special assistance must notify us of their requirements at the time of booking. We will make reasonable attempts to accommodate such special needs and to notify the airline and other partners of these requirements. However, we can't guarantee that all disabilities or difficulties can be accommodated, especially in foreign countries. Our coaches are generally not equipped to handle wheelchairs.
Due to the nature of our itineraries, we can't accept travelers who require service animals. We regret that we can't provide individual assistance to travelers for walking, dining, entering, and exiting motor coaches, ships, and other transportation vehicles, or to assist with other personal needs. Travelers who require such assistance must be accompanied by a qualified companion who is a paid traveler.

SAFETY
Our itineraries often feature sightseeing and other activities which may involve strenuous activities such as hiking moderate distance, walking up steps or over uneven surfaces, ascending to high elevations, or traveling in small boats. In general, travel conditions in some countries may be more difficult than what you are accustomed to. It is the responsibility of all travelers to consider their abilities, consult with appropriate medical personnel, and determine if they are in sufficient physical condition to comfortably undertake the requirements of each itinerary.
If during travel, our representatives become concerned that your physical health or mental condition may make it unsafe for you to continue to participate in the planned itinerary, they may ask you to avoid certain activities.
In extreme cases, we or our representatives may ask you to leave the tour. In this case, we will make reasonable attempts to transport you to the appropriate airport or other departure point, but otherwise, you will be responsible for all costs incurred. In either case, there will be no refund of unused services.

TRAVEL INSURANCE

Travel insurance is not included in the tour price. Anastasis Tours USA highly recommends the purchase of comprehensive travel insurance. **If you decline purchasing travel insurance, you must submit a travel insurance waiver 50 days prior to the scheduled departure date.**

TRAVEL INSURANCE RECOMMENDATION

Anastasis Tours USA strongly urges traveler to purchase travel insurance. Insurance is NOT included in your tour price. Because of the cost of medical care outside the United States, the fact that Medicare does not provide coverage outside the United States, the possibility that Traveler's own insurance provider may not cover Traveler outside the United States, and due to the potentially high cost of escorted air evacuation, travel insurance is strongly recommended. **The travel insurance includes** emergency medical evacuation, emergency medical and dental, trip cancellation protection, a trip interruption protection; baggage lost or delay coverage and missed connection coverage. Please review the **Travel Insurance Benefits** document for more detailed information about coverage.

LOCAL LAWS

During travel, you must always comply with the laws and regulations of all places visited. Committing any illegal act may result in your removal from a tour and put you at risk of fines or punishment by local authorities, for which we cannot be held responsible.
